## **STUDIO RULES**

- Respect for the instructors is crucial. Please also respect your peers and their families.
- Please wear appropriate dress code (SEE BELOW), or you student may be asked to sit out.
- Students who are disruptive to the class will be asked to sit down or leave the class. If multiple defenses occur, the student may be asked to have a meeting with his or her parent.
- Please walk in the studio quietly if another class is in session.
- Please keep the studio clean.
- Please do not hang on the barres or touch the mirrors.
- Please do not chew gum in class.
- Please do not bring food into the studio unless you will be in class for an extended period of time (more than two classes/privates). Otherwise, you may bring bottled water only and drink it when you are given a water break during class.
- Please use the restroom before class begins or at the end of class.
- Please be on time for class. It is important for a proper warm-up and it also interrupts the class when students walk in late.
- There will be no more than three (3) unexcused absences permitted. If you miss more than three classes, you must schedule a private to make up the missed time OR join a session of another comparable class during the week.
